ROOFING ACCESSORIES

Flashing and Rainwater Goods

To ensure the highest standards Delta Panels manufacture in-house a wide range of flashings and rainwater accessories.

Please refer to our Flashings - Recommended Installations Manual to see the extensive range of standard flashings we provide. We can also supply one-off designs to suit any application.

A range of gutter profiles are also available, with a selection of downpipes to suit.

All flashings and gutters are available in DeltaMax.

Flashings unless otherwise noted are made from 0.55mm steel.

Roofing Accessories

Delta Panels offers a one-stop-shop for the complete range of roofing accessories, including foam infill strips, butyl rubber adhesive tape and sealants.

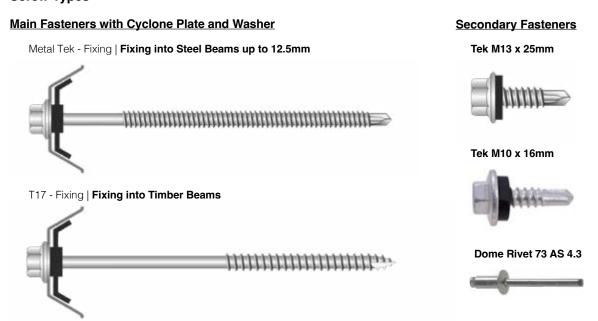

Fasteners

Please refer to the screw selection table in the Handling and Installation Manual to select the correct fastener for the panel type and thickness. For any projects that must comply with Factory Mutual certifications, please refer to the Factory Mutual Approvals web page which lists the approved fastener system specific to each panel type.
